

American Federal Solutions (AFS) Business Overview and Capabilities Summary

American Federal Solutions (AFS) is a recently established company with a robust foundation built on over two decades of industry expertise.

Our leadership and the team behind AFS bring a wealth of experience and a track record of excellence in federal contracting and several key industries. AFS is committed to delivering customized, high-quality solutions that address the complex needs of government agencies and private sector clients alike.

The AFS team combines over 26 plus years of experience in food product services and catering, supporting events of all sizes with precision and reliability. Additionally, our team brings over a decade of expertise in the construction industry, ensuring compliance with federal standards and executing projects with exceptional attention to detail.

Our expertise in IT, technology, and professional services has evolved in response to industry demands, enabling us to deliver modern, scalable solutions. With 16 years of experience in product sales and project management, AFS excels at overseeing and driving complex projects to successful completion, consistently meeting client expectations.

Core Capabilities

1. **Food Product Services and Catering**

With over 20 years of experience, AFS offers comprehensive food services and catering support for events of all scales, ensuring reliable service and expert coordination.

2. **Construction Services**

Backed by 10 years of experience in construction management, AFS ensures federal compliance and high-quality project execution, tailored to meet specific client needs.

3. **IT and Technology Solutions**

AFS delivers comprehensive IT and technology solutions designed to

meet evolving industry demands, providing clients with scalable and innovative services.

4. Professional Services

Offering specialized consulting and professional services, AFS leverages decades of cross-industry experience to provide valuable insights and support for a variety of sectors.

5. Product Sales and Distribution

With 16 years of experience, AFS excels in product sales and distribution, ensuring adherence to federal regulations and the delivery of efficient, compliant solutions to diverse clients.

6. Project Management

AFS offers proven project management expertise, grounded in years of experience, ensuring timely and effective delivery of complex projects, from planning to execution.

7. Federal Contracting Expertise

AFS's leadership boasts over 20 years of experience navigating the complexities of federal contracting, guiding clients through regulatory processes and acquisition requirements.

8. SBA 8(a) Program Knowledge

With deep knowledge of the SBA 8(a) program, AFS is well-positioned to help businesses maximize opportunities for federal contracting and growth.

9. Event Support and Logistics

AFS provides full-service event logistics planning and execution, utilizing decades of experience to support large-scale events with precision and attention to detail.

10. Client-Centered Solutions

AFS specializes in delivering tailored solutions designed to address the unique needs of both public and private sector clients, ensuring that each project achieves the desired outcome.
